No need to be certified to join Healer's Edition!  
Explore more places in your records and your healing tools!

## TIPS TO BUILD YOUR PRACTICE & CONFIDENCE

- Book an appointment with yourself, schedule yourself to practice
- Revisit all the materials so it may land in a different way
- Practice to go deeper
- Give yourself permission to use all of your gifts, clairs, intuition
- Build awareness on how you are receiving
- You may use your eyes to reset to receive more
- We are Practitioners, messengers of information

# SACRED AWAKENING

## THROUGH THE AKASHIC RECORDS

### LIVE CALL #9 BRING IT ALL TOGETHER

- You have full right to discern what type of questions you care to ask the MTLO's
- Trust is very important!
- Keep asking defining & clarifying questions to the MTLO's
- Every moment in time brings its own variables
- Our Records offer suggestions and loving guidance to support our highest good of consciousness, our soul, infinite possibilities

## REMINDERS

- Work with your bodies to receive more fluently
- Energy clearing, open and clear channels
- Activate grounding chord into Gaia
- Ground & expand into HS with breaths to calm & refocus
- Be curious without judgment
- Chakra work to clear stagnation
- Work with your crystals on chakras
- Give Ego and Mental body a special job
- Be yourself, do not compare your readings to others
- Have fun and play in your Records!

## AMY'S NOTES ABOUT READINGS

Giving and receiving readings is an honor and a privilege

Readings are not for everyone

Be rooted in your own beliefs and divine path

# SACRED AWAKENING

## THROUGH THE AKASHIC RECORDS

### LIVE CALL #9 BRING IT ALL TOGETHER

Allow others to have their own points of view

Not our job to convince others

Records are 'The Book of Life' in the Bible

Lean into the Akashic Records for support in challenging conversations

Time will allow your progress to show, perhaps acceptance in time

Spirituality is grounded in love, compassion, and authentic expression

## OVERVIEW OF AKASHIC READING PROCESS

- Welcome & Overview
- Relax in Heartspace, take deep breaths, fill with gratitude, build energy with your golden heartstrings, call in your crystalline energies to infuse
- Guide client into their heartspace
- Connect with your client/partner's heartstrings
- Open partner's records silently
  - State legal name
  - State records are now open
  - What is your question?
- Write their question and ask the question to MTLO
- Share what you are receiving through any of the clairs
- Release all sentient feelings you may receive as you share
- You may want to draw any images so it better lands for you
- Write some notes so your information expands
- Converse with the client about what the image may mean or what the smell or taste may remind them of.
- Claircognizant: Say, 'Your guardians want you to know...' start talking/channeling

# SACRED AWAKENING

## THROUGH THE AKASHIC RECORDS

### LIVE CALL #9 BRING IT ALL TOGETHER

- Ask the MTLO clarifying & follow-up questions
- Converse with the client for feedback
- Speak with confidence: speak in statements
- Continue to ask MTLO, what's next? What do you want my client to know?
- Converse with the client. How do you feel about what the guardians offered?
- Ask MTLO: Recap or complete?
- Close eyes, Thank the MTLO
- Close client's records
